## The Full Gospel Evangelism and Church Planting, Gift Application

### Seed for the Nations

- Some churches are famous because of their facilities
- Some churches are famous because of their celebrities
- Some churches are famous because of their location

The most notable ones are those who partner with God to Change the world  
They seed nations with their generosity  
They resource the Kingdom with their money and people

### Question :

Does the Church exist for Christians ? Or does the church exist for the World ?

### Making your Gifting Count

Now there are different kinds of spiritual gifts, (*charismata*)  
but it is the same Holy Spirit  
who is the source of them all.

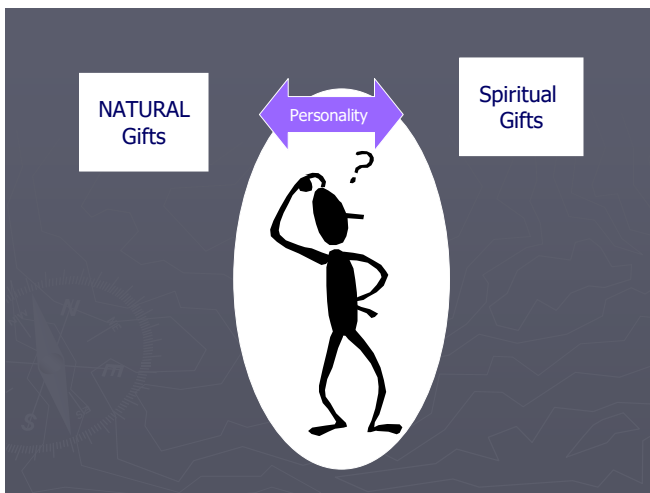

There are different kinds of service in the church,  
but it is the same Lord we are serving.  
There are different ways God works in our lives,  
but it is the same God who does the work through all of us. 1 Corinthians 12v 4 -11

A spiritual gift is given to each of us as a means of helping the entire church

### The Church is God's tool to

REACH Broken World  
God wants you to Touch the World

**You are a Blend of Natural & Supernatural Gifts**  
**Be naturally Spiritual & Spiritually NATURAL**

# PACIFIC2NATIONS – Mission Training

## NATURAL Giftedness

God wired you to be you. In Mission we often overlook our own natural gift....let's use them!

- Dance
- Video, Camera, journalism
- Construction
- Children Ministry
- Sports
- Mechanics
- Prayer
- IT

## Spiritual Giftedness

God has given you a Unique Blend of Spiritual gifts

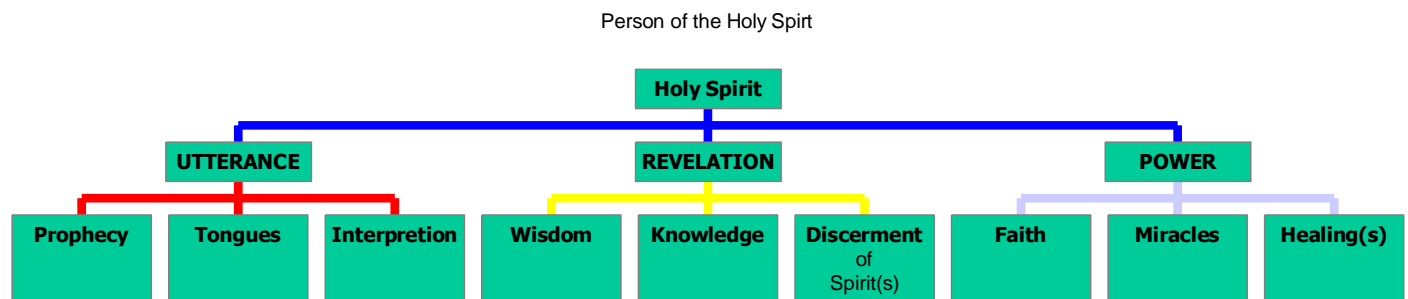

In Mission, God grows, develops and sometimes adds to our Spiritual Gifts  
 We are in a super natural fight,  
 we must use Supernatural tools

## Enthusiasm

Greek : *En-theos* ( God is in them)

- Don't Fake it.
- Be yourself
- Be Real
- Don't pretend to be someone else

God gives us Supernatural Gifting .... to touch the World

## The Focus of the Modern Phase of Missions

is a deliberate Cross-Cultural, Exponential, Church Planting Movement

## Church Planting Strategically is the best way to Win and Disciple People

- For every 1000 New Believers, there is only One new Church Plant
- Missions Agenda Must Have Church Planting at its core
- We must contextualise Church Planting in different cultures
- Pipe organs, don't work in Nomadic Desert Tribes or Jungle Tree Houses

Plan for rapid and exponential multiplication (rather than adding), increase of indigenous churches.

The Three Self's

- Self-Governing
- Self-Propagating

### Indigenous Churches

### Mission / Church Relations: Four Stages of Development

#### Stage 1: PIONEER

Requires the gift of leadership, along with other gifts. No believers; the mission must lead and do much of the work themselves.

#### Stage 2: PARENT

Requires the gift of teaching. The young church has a growing child's relationship to the mission. But the "parent" must avoid "paternalism."

#### Stage 3: PARTNER

Requires change from parent-child relation to adult-adult relation. Difficult for both to change, but essential to the church becoming a mature "adult".

#### Stage 4: PARTICIPANT

A fully mature church assumes leadership. As long as the mission remains, it should use its gifts to strengthen the church to meet the original objectives of Matthew 28: 19-20. Meanwhile, the mission should be involved in Stage 1 elsewhere.

## Giving yourself to the World

We Must Go as Learners

Short Termers - use your gifting well: Serve; Encourage; Strengthen; Bless
